

"They Don't See" is a collaboration between Producer/Remixer Call Me Cleve aka Cleveland Allen who brought you the Groove Theory "Tell Me" House mixes, and Zhana Roiya the vocalist who brought you "Alegria," "I Got My Pride" and "Just a Circus." This release pays homage to the lush, soulful, soft side of human intuition. The deep kick, bouncing baseline, luscious harmonies, warm strings, Moog synths, Rhodes keys and harmonica gives it a timeless feel fitting for Soulful House Music lovers.
